Operation Christmas Child

Essential School Supplies

How important are school supplies? At age 8, Marvellous received an OCC shoebox gift at church. He was elated to receive school supplies in his shoebox, calling it an answer to prayer to help him start school. He loved to write and draw, so he was especially thankful for the notebooks, pens, and pencils. "God hears the cries of His children," said Marvellous. "My shoebox gave me hope. Still today, I think that it was a message, a gift from God."
